Features		▼

Standard

Spacer bracket

Practical spacer bracket for mowing along obstacles and around trees and bushes.

Loop handle

The loop handle is ideal for working in confined spaces, e.g. for clearing work between bushes and shrubs.

Ergonomic control handle with Ergo lever

The ergonomic control handle with its on-off control lever and control lever lock absorbs some of the vibrations and is extremely easy to grip.

Accessories

Mowing Head - PolyCut - 6-2 (FOR FSA 60 & 86)

Universal cutting tool for trimming and working on large areas. With two mobile plastic blades.

\$32.00
