¹⁾ Weight excluding fuel, cutting tool and guard
²⁾ K-factor according to DIR 2006/42/EC = 2.5 dB (A)
³⁾ Without cutting tool

Features

Standard

Loop handle (R)

The loop handled grass trimmers and brushcutters are ideal for working in areas where space is limited, e.g. thinning between bushes and shrubs.

Easy2Start (E)

STIHL Easy2Start makes it possible to start the machine with very little effort. This supports the starting process with an additional spring accumulator between the crankshaft and starting starting device which reduces the force needed to start the machine. Even if you only pull the starting cord slowly the engine starts easily.

Multi function handle

All the engine controls are at your fingertips, allowing easy and safe operation.

Accessories

Varioclean - 500ml

Multipurpose biodegradable machine and parts cleaner. Water based, biodegradable, alkaline detergent specifically for dissolving and removing organic oil residues and for cleaning air filters and housings.

\$17.95

Nylon Line - CF3 Pro Ø 2.0mm x 45m 3K

With CF3 Pro, a high-strength mowing line is realized. The 3 component line is made from high-quality polyamide, increasing the service life of the mowing line. Thanks to the twist, the whistling noise generated when mowing is noticeably quieter. What is more, the new cruciform profile ensures improved mowing performance and neatly trimmed edges. The high-tech mowing line is compatible with many STIHL mowing heads.
