

MSA 220 C-B Skin Only

Most Powerful Battery Chainsaw - Made by STIHL

The MSA 220 C-B is the most powerful 36V STIHL battery chainsaw to date. Sitting above the MSA 200 C-B, this saw uses the brand new AP 300 S to provide the highest cutting performance of a cordless saw and allows the machine to be used for professional work alongside other professional cordless tools in the STIHL AP battery range.

Technical Details

Bar Length cm ¹⁾	35
Cutting length "	14-16
Cutting length cm	35-40
Rated voltage V	36
Weight without battery kg	2.9
Sound pressure level dB(A) ²⁾	89
Sound power level dB(A) ³⁾	100
Vibration value, left m/s ² ⁴⁾	4.8
Vibration value, right m/s ² ⁴⁾	3.6
Saw chain pitch	3/8" P
Oil tank volume cm ³	209

¹⁾ Metric measure

²⁾ K-factor according to DIR 2006/42/EC = 2.5 (dB (A))

³⁾ K-factor according to DIR 2006/42/EC = 2.5 dB (A)

⁴⁾ K-factor according to DIR 2006/42/EC = 2m / s ²

Features

Standard

Operating handle

The black soft component on the rear control handle ensures a secure and firm grip under all working positions. The shift lever has to be unlocked via the lateral lock button.

STIHL quick chain tensioning

The STIHL chain quick clamping system makes tensioning the chain easier. After loosening the screw of the sprocket, cover the chain with the overlying control wheel, which allows quick and easy clamping. A tool is not required for this.

Tool-free oil tank cap

The transparent oil tank and the tools operated oil tank cap the oil level can be easily and conveniently check.

Two-hand operation

The ergonomically shaped handle tube and the comfortable rear control handle with soft components allow a pleasant, forces gentle and safe work in all positions.

EC motor

PLEASE NOTE: Reserving STIHL Products

These products can be reserved online with no obligation and picked up at your local STIHL Dealer. As your satisfaction is of particular importance to us, we provide you with extensive in-store personal instruction including safe handling plus professional advice and service to ensure you get the most out of your STIHL purchase. * Sale price and availability may vary from store to store.

The STIHL EC motor is extremely energy efficient, lightweight and compact. It runs quietly and generates very low vibrations, which ensures you and your machine can work comfortably for prolonged periods of time.

STIHL Ematic system

The STIHL Ematic system consists of Ematic guide bar, chain and Oilomatic-chain and reduced flow rate oil pump. The special design of the bar and chain causes every drop of chain oil gets to where it is needed for lubrication. Oil consumption can be reduced by up to 50%.

Accessories

Oil - Chain & Bar - SynthPlus - 1L

Do you question which lubricant is suitable for which cutting attachment, climate zone or type of wood? No need to puzzle over the answers with semi-synthetic STIHL chain lubricant. Our high-performance lubricant is extremely suitable for all moving saw chains. Well protected. STIHL chain lubricant effectively protects saw chains from wear. Thanks to its high temperature resistance, cutting attachments are optimally protected even from short-duration maximum thermal loads. Smoking is inhibited. Keeps on flowing. Even at temperatures down to -20° C, STIHL chain lubricant retains its outstanding flow properties. Selected additives prevent resinification of the cutting attachment and other treated parts. And you can start using the saw straight away, even after an extended idle period.
