Power output W	500
Weight kg ¹⁾	3.9
Total length cm	1130
Blade length cm	500
Tooth spacing mm	29

¹⁾ Without cable

Features

Standard

Triple switch system

The STIHL electric Hedge Trimmers HSE 61 and HSE 71 come with the practical triple switch system to increase working range.

Cable strain relief

The cable strain relief prevents the power cable from becoming accidentally disconnected.

Laser-cut diamond-ground blades

Each blade is laser cut and ground using diamond discs. The hardened cutting edges are highly resilient and remain sharp for a longer period of time.

Rotary handle

Practical rotary handle with integral armrest: select from five settings between 0 and +/- 90 degrees.

Accessories

SuperClean Resin Solvent - 300ml

Cleans and lubricates in one. The graphite and lubricating mineral oil based cleaner is ideal for cleaning cutting attachments, hedge trimmer blades and chainsaws. Specially designed for stopping resin gluing to blades and to protect against rust.

PLEASE NOTE: Reserving STIHL Products

These products can be reserved online with no obligation and picked up at your local STIHL Dealer. As your satisfaction is of particular importance to us, we provide you with extensive in-store personal instruction including safe handling plus professional advice and service to ensure you get the most out of your STIHL purchase. * Sale price and availability may vary from store to store.

Application: spray the cutting tools after each use.
