Weight kg <sup>1)</sup>	2.8
Cutting diameter mm	380
Total length cm <sup>2)</sup>	1774

<sup>1)</sup> Weight excluding battery, with cutting tool and guard

<sup>2)</sup> Without tools

### Features

## Standard

#### STIHL ECOSPEED

STIHL ECOSPEED enables the user to control the brushcutter engine speed individually on the operating handle.

#### Loop handle

The loop handle is ideal for working in confined spaces, eg tidying between shrubs and bushes.

#### Storage hole

Located in the handle frame you will find a slot used for storing the Grass Trimmer safely onto a wall after use.

#### EC-Motor

With the EC-Motor it is possible to get 55% more power from the battery. In addition to this the motor conserves battery energy and extends the lifetime up to 70%. The motor is very light, compact and has very low wear characteristics.

#### Lock lever

The Grass Trimmer has a lock lever located near the throttle switch. This prevents the motor from running unintentionally.

## Optional

#### Battery charger

You can choose between two battery chargers: The AL 101 Standard Charger and the AL 300 Fast Charger which charges the AP 200 battery (55 min charging time).

### Accessories

### PLEASE NOTE: Reserving STIHL Products

These products can be reserved online with no obligation and picked up at your local STIHL Dealer. As your satisfaction is of particular importance to us, we provide you with extensive in-store personal instruction including safe handling plus professional advice and service to ensure you get the most out of your STIHL purchase. \* Sale price and availability may vary from store to store.

#### **Battery Charger - AL 500 - Super Quick**

With the increase in battery capacities the new AL 500 Super Charger enables extremely rapid charging to minimise down time and allow increased productivity. Charging the AP 300 to 100% in 35 minutes and the AR 3000 backpack battery to 100% in 160 minutes the AL 500 Super Charger is aimed at the professional landscapers using the STIHL battery range. The reduced charge times make the STIHL battery power system even more desirable and allows all day working in the professional area.
