PLEASE NOTE: Reserving STIHL Products

These products can be reserved online with no obligation and picked up at your local STIHL Dealer. As your satisfaction is of particular importance to us, we provide you with extensive in-store personal instruction including safe handling plus professional advice and service to ensure you get the most out of your STIHL purchase. * Sale price and availability may vary from store to store.

Features

Standard

Loop handle (R)

The loop handled grass trimmers and brushcutters are ideal for working in areas where space is limited, e.g. thinning between bushes and shrubs.

Easy2Start (E)

STIHL Easy2Start makes it possible to start the machine with very little effort. This supports the starting process with an additional spring accumulator between the crankshaft and starting device which reduces the force needed to start the machine. Even if you only pull the starting cord slowly the engine starts easily.

Multi function handle

All the engine controls are at your fingertips, allowing easy and safe operation.

Accessories

Universal Harness - Standard

For strength-saving mowing and shredding. Ergonomic, comfortable,

light, can be combined with the chest belt and tool bag.

\$150.00
