Features

Standard

Integrated cable strain relief

This cable strain relief protects the connection of the engine with the power source while working.

Multi-function control handle

The engine controls and the valve for the sprayer element are on the control handle. In addition to the engine controls, you can switch the sprayer element on and off quickly and easily with one hand and with very little content loss.

Accessories

Varioclean - 500ml

Multipurpose biodegradable machine and parts cleaner. Water based, biodegradable, alkaline detergent specifically for dissolving and removing organic oil residues and for cleaning air filters and housings.
