

BGA 86 Skin Only

Powerful Battery Blower Ideal for Professional Use

Product

Battery Blower - BGA 86 - Tool

RRP

\$429.00
(incl. GST)

Comfortable to operate, very powerful 36V battery blower for professional use, particularly in urban areas such as play grounds and car parks. For removing leaves, plant waste, and dirt. 50 % more power than the BGA 85, and with reduced weight. Round nozzle, soft handle, three-setting length-adjustable blower tube. Flat nozzle for increased air speed available as an accessory.

Technical Details

Rated voltage V	36
Sound pressure level dB(A) ¹⁾	79
Sound power level dB(A) ¹⁾	90
Battery life time AR 3000 min ²⁾	up to 105
Battery life time AR 1000 min ²⁾	up to 57
Battery life time AP 300 S min	up to 26
Battery life time AP 300 min ²⁾	up to 21
Battery life time AP 200 min ²⁾	up to 17

¹⁾ K-factor according to DIR 2006/42/EC = 2.5 dB (A)

²⁾ Battery life times are approximate and may vary depending on application

Features

Standard

Variable speed control

The variable speed control allows to adapt the blowing force depending on the surfaces to clean.

Multi-function handle

Thanks to the multi-function handle, all the controls can be activated with one hand. The control level allows the user to continuously adjust the engine speed. Simple and reliable operation, no matter whether you are right or left-handed.

Highly efficient blowing unit

The ultra-compact blower unit is powered by a high-performance EC motor. In combination with the centre of gravity being close to the handle, the tool boasts very flexible and agile operation.

Blower tube with adjustable length

The blower tube can be adjusted to three different lengths to best fit the size of the user. This prevents unnecessary loss of power and performance due to the tube being too far away from the ground.

Accessories

PLEASE NOTE: Reserving STIHL Products

These products can be reserved online with no obligation and picked up at your local STIHL Dealer. As your satisfaction is of particular importance to us, we provide you with extensive in-store personal instruction including safe handling plus professional advice and service to ensure you get the most out of your STIHL purchase. * Sale price and availability may vary from store to store.

Straight flat nozzle

Erleichtert das Entfernen von schwerem oder nassem Blasgut durch hohe Luftgeschwindigkeit. Für BGA 57, BGA 56, BGA 86 und BGA 100.
